

Ami Brown

Comedy, Drama, Sci-fi

Ami is a professional screenwriter and script doctor. She produced an award-winning short film and has been involved with film and TV productions for more than 15 years. She has clients that call on her regularly for re-writes and her outstanding editing service. Many of her ghost-writing projects and scripts have been produced and several are in pre-production. Her strengths include sub-plots, strong character development and dialogue. She enjoys helping other screenwriters and authors bring their vision to life. She knows Hollywood standard and professional structure like the back of her hand.

Recent clients include: Seraph Productions, Dim Light Pictures, North American Studios, Itcher Entertainment, Beyond the Marquee, You Go Far Productions and many more.

Recent projects include: Feature Film rewrites (all genres), Novel Adaptations, HBO TV Pilot and Pitch, Commercial Scripts, Video Game Scripts, Shorts, Web Series, TV Bibles, Feature Film Development, Script Coverage..... and more.
